

# Healthy Smiles Field Trip

## 2nd, 3rd & 4th Graders

Contact: **Ines Andino**, Orthodontic office of Dr. Jose M. Arango

### TOPICS:

1. Proper Nutrition and Oral Hygiene
2. Growth and Development of Jaws and Teeth
3. Introduction to Dental/Orthodontic Materials
4. Q & A Session

**OBJECTIVES:** The student will learn about the importance of nutrition and oral hygiene. This presentation will introduce them to Orthodontics. There will also be a Q & A session to answer all of their questions.

**DATES:** We are available throughout the school year.

**LENGTH OF PRESENTATION:** Approximately one hour.

**TRANSPORTATION:** If it can be arranged that a couple of classes can come at a time, Dr. Arango will provide a school bus. One group will be dropped off and the bus will make a round trip when appropriate.

**MATERIALS:** Each child will be given a "goodie" bag with take home materials.

Please contact **Ines Andino** @ **719.579.9773** for more information or to schedule your class field trip.
